

Do you want to take full advantage of your ScheduleSoft scheduling software, learn more about valuable system features, and contribute ideas for future product enhancements? At ScheduleSoft Tech•Ed you will learn how existing features may be used to support your organization's business strategy. Our developers will share what's in development. And you will have the opportunity to contribute your ideas for future product enhancements.

Benefits of a ScheduleSoft user education and networking day

- Become the ScheduleSoft workforce scheduling expert for your company
- Network with your peers
- Lobby for new software features
- One-on-one time with ScheduleSoft project managers and developers
- Exchange best practices from users within and outside your industry
- Tips on how to develop, monitor and evaluate ROI criteria

2011 EVENTS:

SCHEDULE:

Day One

- 7:30 AM - 8:00 AM | Continental Breakfast
- 8:00 AM - 4:00 PM | ScheduleSoft Certification Training

This all day, hands-on training will help users achieve a broad understanding of ScheduleSoft functionality. Topics will include how to build and maintain schedules and how to troubleshoot common problems.

Who should attend – Anyone who wants to understand how schedule data works in ScheduleSoft to create optimal assignments - new ScheduleSoft users, managers, and supervisors, or current schedulers who wish to refresh their skills.

Program Fee: \$999

Day Two*

- 7:30 AM - 8:00 AM | Continental Breakfast
- 8:00 AM - 4:00 PM | Tech-Ed General Session

Day Day Two begins the evening prior with a meet and greet from 6-8pm. The next day includes sessions on product features and futures as well as scheduling best practices and customer success stories.

Who should attend – anyone who wants to decrease operating costs and increase employee productivity while responding quickly to fluctuations in demand. Plant Managers, Operations Managers, Scheduling Managers, Human Resources Managers, IT Managers and anyone interested in making their operations more competitive.

Program Fee: \$299

* Join us the evening prior for a networking opportunity to meet and greet peers and ScheduleSoft staff.
